## PRINCIPAL'S REPORT

Welcome to Term 4 Week 4.

We have an extremely busy and exciting term ahead of us.

### Kindergarten Transition

Kinder Transition is off and running and we have 12 delightful and unique little humans. We are thoroughly enjoying having each and everyone of them.

Thank you to all the staff for their massive efforts during Term 4 transition.

### Year 6 Transition

Caylor, Isabell and Keisha are thoroughly enjoying their transition days at Molong Central School.

On Wednesday they returned with great stories about their Art and Science lessons.

We are all so pleased they are so prepared for High School.

### Broken Bay Excursion

This year's annual school excursion was probably my favourite of all the many excursions I have attended during my teaching career. This was largely due to the beautiful behaviour, respect and appreciation of the students who came along. They were outstanding and we had many wonderful comments from the staff at Broken Bay.

I am sure this is an experience we will all remember for the rest of our lives!

## SCHOOL LEADER'S REPORT

Hello everyone,

Last week we went on a bus for an Excursion to Broken Bay. Ted Ryan drove the bus to Brooklyn then we caught a ferry across to Broken Bay. We did lots of activities like archery, raft building, surf skis, orienteering, bush & beach walks, ropes and beach games. We all had lots of fun. We were so tired afterwards. Thank you teachers for letting us go.

## OSSA Spectacular

Next week the bus will take students to the rehearsal on Tuesday, 7th and matinee performance on Wednesday, 8th November. Parents are asked to transport students for night performances on both nights. We understand this is a big ask but we appreciate your support in getting your child involved in this great opportunity of performing with others schools on the big stage for a big audience.

Please return permission note with money for the bus on Monday.

**Please note** We would like students to bring a change of clothes or PJ's on Tuesday night as we will be changing students out of costumes and keeping them together with teachers ready to change into on Wednesday morning, after photos, before traveling back in to Orange.

## Excursion Extracts

My favourite thing about Broken Bay was definitely the ropes course. What I liked about the ropes course was that only 5, 6 could go on it and I am in year 5. Another thing I liked was that you could choose if you wanted to do it or not and there were 2 of them, I went on both.

*Clinton, Y5*

The best memory of the wonderful place Broken Bay was: 1. Bonding with other people from different schools. 2. Having an educational but relaxing break. 3. Meeting more people that turn out to be similar to me than I thought. 4. Learning the safety of land and water. 5. Conquering my fear of heights and meeting other people.

*Savanna, Y5*

At camp the best thing was probably the flying fox and surf skiing. The flying fox was not high you were under it, but when you were on it. It was really high.

*Pippa, Y2*

My best memory from camp was when we went down to the rec hall in the morning. Also my best memory was playing basketball with Mr Reddy.

*Jerome, Y5*

My favourite part of the excursion is the disco. The disco was the biggest disco I have ever been to. The disco was on the last night of the excursion. It is the best part of the excursion.

*Lachlan. T. Y4*

My favourite thing about Broken Bay was swimming out at the very end of the shark net at the deep end with a PFD (Personal Flo-tation Device) and I also liked free time in the pool.

*Jessica, Y4*

On the excursion my favourite thing was archery and raft building because and pushed Pippa out into the shark net, she was scared but there was no reason to be scared.

*Lukas, Y3*

My favourite part of the excursion the excursion was when I went on the flying fox. It was fun because it was the first time I went in a harness.

*Lachlan. H. Y4*

My favourite thing about camp was when the class saw a Diamond python. It was really scary. The snake is Neil's totem, which was really exciting for Neil.

*Zach, Y3*

I loved the flying fox and the beach in the morning. On the flying fox I overcame my fear of heights and if you hit the tyre you'd get a treat and I loved the beach because of the sand in your feet, the shells and the wild-life.

*Emma, Y4*

My favourite activities were archery and the beach activities. I loved archery because I shot my first bow and arrow on the board. I was really happy.

*Jack Y2*

**Viceroy's House**

New nations are rarely born in peace... India 1947, Lord Mountbatten is dispatched along with his wife Edwina to New Delhi to oversee the country's transition from British rule to independence. Taking his place in the resplendent mansion known as the Viceroy's House, he arrives hopeful for a peaceful transference of power. But ending centuries of colonial rule in a country divided by deep religious and cultural differences proves no easy undertaking, setting off a seismic struggle that threatens to tear India apart. With sumptuous period detail, director Gurinder Chadha brings to life a pivotal historical moment that re-shaped the world.
