## SCHOOL LEADER'S REPORT

This week we have had lots of fun. We had the OSSA High Jump yesterday with Amelia, Neil, Savanna and Jerome competing. On Monday we go to the OSSA Athletics in Orange to compete in lots of other events.

Today we had a dance lesson with Kylie and went over the steps and we seem to have the dance covered.

There has been a few changes with some fences going up to get ready for the workmen to put a new roof on the school.

Some of the Library has been painted a new colour and it looks good.

### Duncan Auld meeting

I will be meeting Duncan Auld on Wednesday, 11th April.

This will be to discuss my School Plan, 2018 Budget, the School Excellence Framework, the Annual School Report and the general running of our school.

### ANZAC DAY

We continue working on our ANZAC DAY songs: "Lest We Forget" and "In Flanders Fields". All students to please wear full winter uniform for the march. We are to meet near the Bowling Club at 10am to march to the hall. Hopefully we will have a great crowd at the ANZAC DAY march and ceremony at Manildra Memorial Hall.

### New Roof on School

Parents and students may have noticed the workmen putting up temporary fencing today, in preparation for new rooves to be put on the three front buildings, Office, Senior class and Library. Scaffolding will be erected on Monday and throughout next week. The work of replacing the roofing will commence next week and continue during the school holidays.

We ask everyone to be mindful of the safety fencing and workmen while going about activities on school grounds during next week. We have also had part of the Library building painted which looks very impressive.

Have a happy and safe weekend.

## Cancer Council – Relay For Life

On Thursday, 29th of March we had a very special visitor to the school. Dougal the Bear from the Cancer Council came to talk to all the students about the importance of sun safety. Dougal also mentioned how they raise money for the cancer council through an event called Relay For Life. Relay For Life is a weekend dedicated to raising funds for cancer research. People make teams and walk or run around the oval all day and night. Clinton was very lucky to be chosen to receive a hat and the baton which is passed around the teams during the Relay for life.

Thanks so much for the visit Dougal!

## **Lost Property**

With the cooler weather in the mornings but warmer throughout the day, there are a few jumpers taken off during the day and then misplaced.

There are lots of clothes items at school without names. **It is important that you write your child's name on their uniform so they can be returned to the correct child.**

Please check items of clothing that your child brings home (picked up mistakably) to see if it has someone's name on it and return to school to correct child.

There are also a number of drink bottles and lunch containers without a child's name which makes it difficult to return them to the owners.

Please label all items.
