PRINCIPAL'S REPORT

Young Leaders

On Sunday, 10th March our Year 6 leaders will travel to Sydney's Young Leaders Conference at Darling Harbour. This year Cargo PS are joining us so we are really excited that we will have 9 in our group. We will travel by car to Richmond. Then travel by train which will be great new experience for some of our students.

We will also have a ferry ride to Luna Park for our Sunday afternoon activity.

On Monday we will attend the Young Leaders Conference before returning home on Monday evening.

Debating

On Tuesday, 12th March, some of our senior students will meet me at Orange Public School at 9am for a day of workshops on debating. This is a very informative and practical day before our first debate. A huge thankyou to Sue Starr for running our debating program. Please return notes on Monday so transport can be arranged.

Adam Freeman

We welcome Mr Freeman to our school who will be teaching sport every Friday for the remainder of the Year. He will also be a familiar face as one of our regular casual teachers.

SCHOOL LEADER'S REPORT

Hello everyone,

This week we have had a great week. Our singing, dancing, music and athletics programs are all going well. The kindies are very settled and enjoying playing on the other playground.

The Year 6 students are excited to be going to the Young Leaders Conference in Sydney on Monday. We will miss Lachlan though as he is not coming with us. We are excited about going to Luna Park also.

Combined Athletics Carnival

We will combine with St Joseph's students next Friday, 15th March at the Rec. for a fun day of competition and activities.

Please return permission note and lunch order on Monday if not already done so.

Sub Junior

All Sub-Junior, 5-7year old, students will walk to the Rec on Monday, 11th March, for their Long Jump and Discus competition. They will then return to school by 11.30am.

A huge thankyou for the enormous effort Abby McAnally and Renae Allcorn have put into organising our Athletics Carnival. A big thank you also to Ben Allcorn for fixing the Long Jump with a new take-off board and thank you to Cabonne Council for the top up of sand.

We look forward to catching up with our friends from St Joseph's on the day.

Manildra Matters

Make sure you get a copy of Manildra Matters this week to read the delightful thoughts of our AMAZING kindergartens.

Major Excursion for Y3-Y6

Notes for this excursion were sent home this week. This note is to give us an idea of who might like to attend so that we can make a booking as excursions to Canberra need to be booked early. Please return the note as soon as possible.

Lost Property

With the cooler weather approaching in the mornings but warmer throughout the day, there are a few jumpers taken off during the day and then misplaced.

There are lots of clothes items at school without names. **It is important that you write your child's name on their uniform so they can be returned to the correct child.**

Please check items of clothing that your child brings home (picked up mistakenly) to see if it has someone's name on it and return to school to correct child. We appreciate your assistance with this request.

BOHEMIAN RHAPSODY

Bohemian Rhapsody is a foot-stomping celebration of Queen, their music and their extraordinary lead singer Freddie Mercury, who defied stereotypes and shattered convention to become one of the most beloved entertainers on the planet. The film traces the meteoric rise of the band through their iconic songs and revolutionary sound, their near-implosion as Mercury's lifestyle spirals out of control, and their triumphant reunion on the eve of Live Aid, where Mercury, facing a life-threatening illness, leads the band in one of the greatest performances in the history of rock music. In the process, cementing the legacy of a band that were always more like a family, and who continue to inspire outsiders, dreamers and music lovers to this day.

A seminar for parents from Australia's 'queen of common sense', parenting author and educator Maggie Dent.

Every parent wants their children to thrive - to grow happy, healthy, strong, kinds and capable of realising their full potential. In this seminar, Maggie explores the 10 keys to parenting that support this goal. She acknowledges there is no 'perfect' and that challenge, adversity and failure can actually help our kids grow stronger and smarter.

Refreshments will be available. Please note this event is general admission (so you can sit wherever you like) and babes in arms are welcome at Maggie's seminars.
