## PRINCIPAL'S REPORT

### Combined Athletics Carnival

We had a very successful day of athletics with our friends from St Joseph's school. Each student participated in most events making for some strong competition throughout the day. Congratulations to all students for having a go and making it a fun day.

Thank you to Anne and her band of helpers for a delicious lunch and also to the many parents assisting with events throughout the day. This all makes for a successful carnival.

A huge thankyou to Abby, Renae and Adam for the great organisation of the athletics carnival. It was a great day.

## Crazy Rich Asians

Native New Yorker Rachel Chu accompanies her longtime boyfriend Nick Young, to his best friend's wedding in Singapore. Excited about visiting Asia for the first time but nervous about meeting Nick's family, Rachel is unprepared to learn that Nick has neglected to mention a few key details about his life. It turns out that he is not only the scion of one of the country's wealthiest families but also one of its most sought-after bachelors. Being on Nick's arm puts a target on Rachel's back, with jealous socialites and worse, Nick's own disapproving mother taking aim. And it soon becomes clear that while money can't buy love, it can definitely complicate things.
