Crazy Rich Asians

Native New Yorker Rachel Chu
accompanies her longtime
boyfriend Nick Young, to his
best friend's wedding in
Singapore. Excited about
visiting Asia for the first time
but nervous about meeting
Nick's family, Rachel is
unprepared to learn that Nick
has neglected to mention a
few key details about his life.
It turns out that he is not only
the scion of one of the
country's wealthiest families
but also one of its most
sought-after bachelors. Being
on Nick's arm puts a target on
Rachel's back, with jealous
socialites and worse, Nick's
own disapproving mother
taking aim. And it soon
becomes clear that while
money can't buy love, it can
definitely complicate things.
